The Lookout Mountain area south of Chattanooga, Tennessee, immediately upon the Tennessee-Georgia line has long been known for gambling establishments. An agent of the Atlanta office was advised on 6/26/57 by a local County Solicitor and a GBI Agent that RALPH CAPONE, brother of the notorious AL CAPONE, is understood to head a syndicate backing and operating these gambling establishments. These men could not furnish specific information but advised that they think the information is true and that current rumors indicate that the CAPONE group is attempting to establish a foothold near Summerville in Chattooga County, Georgia, to expand their operations.

Should the Chicago or Knoxville Offices have any pertinent information to substantiate these rumors advice will be appreciated.
